## **Moonlight on Every Table**

*It's a small touch that makes a world of difference -a dainty, beautifully proportioned lamp that glows with the most flattering light to dine by. Bright enough to see all of the choices on the menu, the pianist in the corner and, most importantly of all, the smile on your companion's lips. It's all part of the undeniably romantic ambiance of Tre Sorelle.*

## **The Keys to Romance**

*Music should stir special memories, warm the soul and thrill the heart. Quiet, lyrical jazz does that when performed by a master like Doug Lalli. An award-winning composer as well as a pianist, Doug makes the great American songbook standards sound like they were written just for you. He performs at Tre Sorelle every Saturday from 6 to 9 PM to make your dinner a celebration whatever the occasion.*

## **Gelato Touched by Magic**

*Pure, luscious vanilla-infused homemade gelato swimming in freshly-made espresso produces that most Italian of desserts – Affogato! A brilliant way to end a flavor-packed dinner. Savor it as you enjoy the live strains of beautifully played jazz. Perhaps follow it with a final sniffer of Sambucca. A magical meal indeed!*

## **Date Night Without a Baby Sitter**

*If you've made a reservation for a romantic dinner and the babysitter cancels – bring the little ones with you!*

*We have a special children's menu – including Shirley Temple cocktails. And we provide coloring sheets and crayons as soon as everyone is seated while our pianist plays jazzy renditions of "Rubber Ducky" and "Twinkle, Twinkle Little Star." Altogether, it's the perfect way to end the week for the whole family.*

## **Dancing Is Allowed**

*Tre Sorelle is NOT a night club or a dance hall but sometimes, between the live music, the lighting, and the delightful food and wine, a couple can get carried away. If this happens to you, please feel free to take advantage of the moment and savor the delight of holding your date in your arms. After all, at Tre Sorelle, Saturday is the jazziest night of the week.*
